

Download Sap Pi Development Guidelines

Guidelines for object naming incorporate changes up to the current version of SAP PI and are being updated for the newly christened SAP PO. Hi. Is there any development guidelines available for SAP PO 7.4 available from SAP? Where do I find the documentation is available? BR Andreas Hi All Any body have documents for XI/PI Development Standards & Guidelines. Regards Venkat Architecture of SAP PI. The SAP PI consists of a hub and spoke structure; the spokes connect with external systems while the hub exchange messages between them.
